## Meet our Animals

Currently foster-based only.

Contact us on how to meet  
pets in our care.

# BIG CHANGES

## Our Search For A New Location

**We at Loving Heart Animal Shelter are facing a significant change. Due to an inability to renew our lease, this month marks our last at our current location.**

For years, Loving Heart Animal Shelter's location has been of immense aid to our cause. Having a physical shelter for our animals to live increases the number of animals we can help. Despite the challenges of not always having a permanent location, our commitment to these animals has never wavered.

As we prepare for this transition, we are reaching out to our community for support. We are in urgent need of a new facility to continue our mission of rescuing and rehoming pets. Your help and donations are more critical than ever to ensure that we can keep providing a safe haven for animals in need.

Due to the impending move, we are currently not taking in any new pets or physical donations. Instead, we are urgently seeking monetary donations to help secure a new facility and continue our mission of rescuing and rehoming pets.

**For more details on our situation and how you can assist, refer to our website or contact us.**

## Our Impact

Over the years, we have found homes for over 7,000 pets and are committed to increasing this number. Meet Lyla, one of our success stories. Lyla has spina bifida, which causes incontinence, struggles with agility, and more. After six months in foster care, she found her forever family.

# FOSTER-BASED

## How can we operate without a location?

While we search for a new permanent location, we are transitioning to a foster-based model to continue our mission. This is something not unfamiliar to us.

This transition is made possible thanks to the dedication and support of our incredible network of foster families. We are immensely grateful to our current fosters, who have opened their hearts and homes to pets in need, providing them with the care and love they deserve during this interim period. Your commitment has been invaluable in ensuring that our furry friends are safe, happy, and well-cared-for.

THE MORE  
THE  
MERRIER

BECOME A  
FOSTER

However, to maintain and expand our efforts, we need **more help**.

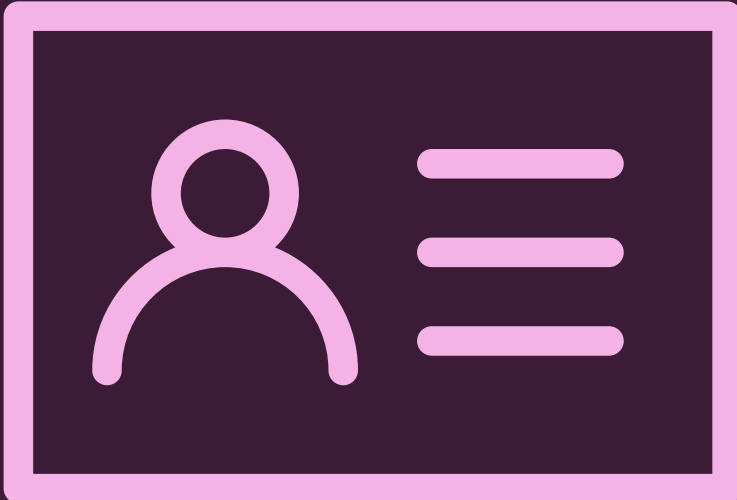

We are actively seeking **additional foster families** to join our network. By becoming a foster, you can make a significant difference in the lives of these animals, offering them a temporary **haven** while **we work to find them permanent homes**. Fostering is a rewarding experience that provides a lifeline for **pets in transition**, and we provide all necessary supplies and support to make the process as smooth as possible.

**If you are interested in becoming a foster or want to learn more about how you can support our efforts, please refer to our website's foster page. Your help is crucial in continuing our mission to save and rehome pets in need.**

**Together, we can keep the number of lives saved growing. Thank you for being a part of the Loving Heart Animal Shelter community.**

# ADVERTISING

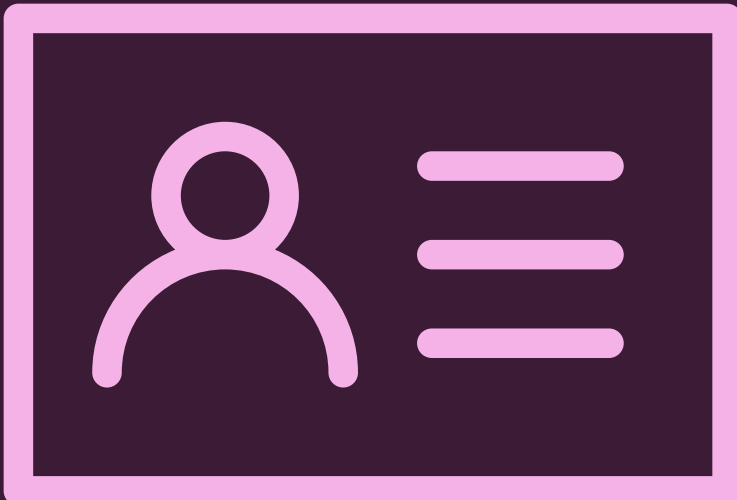

ADVERTISING IN OUR NEWSLETTER HELPS US SUPPORT ANIMALS

## **BUSINESS CARD-SIZED**

Request an ad the size of your business card or send in a copy of your actual business card!

**Advertisements are not required to be animal related.**

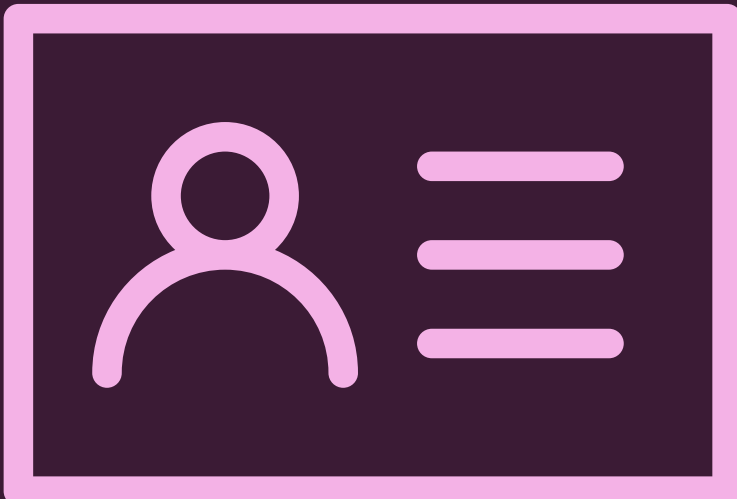

## **SHARED PAGE**

Advertisements will be added to one page of one edition. Up to 6 different business advertisements can be shared on one page!

**Interested? Email us about costs and how to proceed!**

Advertisement funds directly support our efforts to find a new location for the shelter. Your contributions help us cover essential costs and ensure we can support our residents and foster homes.
